Mayor asked Doug Galliher to speak to the group about the opening of the Farmer's Marker and the Spring Fest. To celebrate the opening of the Farmer's Market the committee decided to add a Spring Fest to get more people there. Opening will be on April 5th from 2 pm until 7 pm. They will have farmer's market vendors, craft vendors, games, music, 8 food trucks and a corn hole tournament. In October when the Farmer's Market closes for the season, we will have a Fall Festival. Mayor stated that he wants this to be an annual event to open and close the Farmer's Market. We will continue to hold the Farmer's Market at the park because it affords us room to grow. Doug stressed that we need volunteers out to help on that day. Mayor thanked Doug and the committee for their work.

OLD BUSINESS:

COMMUNITY CENTER BATHROOMS: Cory Pennell has had knee surgery. He will take care of the bathrooms as soon as he is recovered from surgery.

PLAYGROUND: Mayor has found a company in Clemmons that sells playground equipment. He is trying to find someone to do the repairs that we need done. Mayor has spoken with Tray Fucchi who works with grant funding for parks and recreation. He told the Mayor that we need to get a plan together and

apply for a grant in May of 2026. This grant requires a 50% match from the town. Mayor said we need new swings, but let's fix what we have and see if we can get a grant in 2026. He has also spoken with someone about repairing the rubber on the slide steps.

WHITE BUILDING AT SCHOOL: According to Ken Jurney, it was given to the Harmony Alumni to be used as a museum.

DR. ROBERTSON MEMORIAL: Mayor spoke with Barry Mitchell. He said if he decided to do anything with the property, the Town would be the first to know. He expressed an openness for churches and the Town to use the property.

RESOLUTION: We received notice that we need a resolution stating that the Town Board was in agreement to purchasing the property at 3317 Harmony Hwy and 101/103 W. Memorial Hwy before we could get deed warranty insurance on the property. After the Mayor read the resolution, Jared made a motion to approve the resolution. Brandon seconded the motion. Motion carried 3-0.

EDDIE GAITHER: When Town purchased the café property, Eddie had some of his personal property stored in the building. It was agreed that he had until January 1, 2025 to remove his personal property. As of this date, he continues to have personal property stored in the building. Mayor asked the board if they thought we should charge him rent or give him a deadline to remove all of his belongings. He claims to have insurance on his property, but Luke Martin, Our real estate attorney, advised us that he could not have insurance on a property he no longer owns. Scotty suggested that we give him 2 weeks to get everything out of the building. That would be February 15th. Mayor told the board that we would be applying for a demolition grant. N C Commerce will pay for 75% of the demolition costs and the Town will pay the other 25%. All were in agreement.

NEW BUSINESS:

JOHN CHILDRESS: Mayor Turner had a meeting with Mr. Childress who owns the Greenbrier Grill and Pharmacy on Hwy 64 in Statesville. He is interested in bringing a food truck from Greenbrier Grill to Harmony each day. He also expressed interest in the café property for a new drugstore, a doctor's office and a grill, He says we will have a much nicer drug store. Mayor knows of 2 others who want to invest in Harmony. Napa wants to lease store space and Zirrus wants to put a store in Harmony,

IREDELL CO. E D C: They may be able to provide funds for the sewer line extension. E D A steered the Mayor toward them.

WHITE HOUSE: County has spoken about needing additional office space for various departments and perhaps an office space for the Sheriff's Office. Mayor has asked Dan Hutchens to give us a quote to remodel the house for use as office space.

Any request for County funding needs to be turned in to Beth Mull before February 14th.

At this time Brandon made a motion to adjourn for closed session meeting to discuss personnel matters. Jared seconded the motion. Board was moved to closed session.

Board was called back in session.

As there was no other business, Scotty made a motion to adjourn. Jared seconded the motion. Motion carried 4-0.
